## Piękne Wnętrza

**General contractor of  
comprehensive renovation  
and construction projects**

**A.S.ONE Piękne Wnętrza Adam Soczewka (A.S.ONE Beautiful Interior Adam Soczewka)** with its registered office in Warsaw was established in **1997**. Since the beginning of its operation, the company specialized in **general renovation and construction project contracting**, including such facilities as shops, restaurants, cafes, offices, points of sale. The company also renovates shopping centers and already existing facilities. The scope of implemented projects covers **the whole territory of Poland**. The company implements **architectural and industry-specific projects**. It constructs complete electrical, air-conditioning and ventilation, water and sewage as well as construction systems. It commissions **turn-key construction solutions** or facilities ready for display of furniture and equipment.

**A.S.ONE Piękne Wnętrza** boasts its high level of workmanship with timely completion of projects, which is proven by numerous references and recommendations you can find at [www.asone.pl](http://www.asone.pl)
